ACTION TAKEN REPORT ON STAKEHOLDERS FEEDBACK

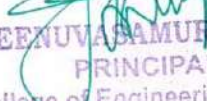

Academic Year: 2022-2023

Stakeholder: Employer

Name of the Program : Opportunities in Cloud
Name of the Resource Person : Mr. Kiaz Hanifa, Chief Technology Officer, Fonicom
Date : 01.04.2023
Time : 10.00 AM to 04.00 PM
No of Beneficiary : 198

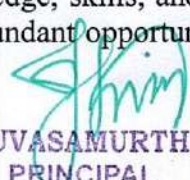

The event is regarding Opportunities in Cloud held on 01.04.2023

This program aims to provide students with a comprehensive understanding of cloud computing technologies, platforms, and services, as well as the skills needed to leverage them effectively in various professional domains. The program will explore the latest trends and advancements in cloud computing, such as hybrid cloud solutions, server less computing, containerization, and artificial intelligence/machine learning integration. Students will have the opportunity to work with leading cloud platforms like Amazon Web Services (AWS), Microsoft Azure, Google Cloud Platform (GCP), and IBM Cloud, gaining practical experience in deploying, managing, and optimizing cloud-based solutions.

By the end of the program, participants will be equipped with the knowledge, skills, and certifications necessary to pursue exciting careers in cloud computing and capitalize on the abundant opportunities available in this dynamic and rapidly evolving field.
