Aptitude in Engineers's life on 11.03.2023

The programme for I year was planned and conducted on 11.03.2023 by the department of Science and Humanities at our college premises. Through this programme students get an idea about importance of aptitude. The resource person insisted the students should realize that B.Tech is not just a degree but it is a qualification to become a professional. All the students actively attended and benefited better manner.

### Legend League sports events

Name of the Program : Legend League sports events  
Name of the Resource person : CIPHERS, Department of CSE, RAAK CET  
Date : 24.06.2022 – 30.06.2022  
No. of Beneficiary : 117

Legend League sports events on 24.06.2022

Legend League sports event provides an opportunity for students to showcase their skills and represent them in front of a passionate and enthusiastic audience. These not only provided entertainment and excitement but also promoted physical fitness, teamwork, and healthy competition among students. It also offered a chance for students to connect with each other and built a sense of community and spirit.

More than 100 students have participated in the event which includes football, cricket, throw ball, leg cricket, Stand broad, 100 Mtr running & tug of war.
