Problem solving through programming on 10.09.2019

The problem solving through programming for the III and IV year students was planned and conducted on 10.09.2019 by Mr.M.Siva, Aspirant Expert, Dr.KIMS Academy. Students engaged with the trainer and had an opportunity to interact and actually understand the problem before getting started and solving it. The functional key plan of problem solving is:

- Understand the problem
- Devise a plan
- Carry out the plan
- Look back and execute

Types of Communication at Work on 08.08.2019

The session on communication skills was handled by Mr.B.A.Shahul Hameed, Bright Academy College, Puducherry. The main objective is to enrich the learners through effective communication. He highlighted that the good communication should have 55% body language, 7% verbal knowledge and 38% tone of the communicator. This would eventually help them in upcoming sessions to improve their communication skills.
