Career development through Digital Marketing

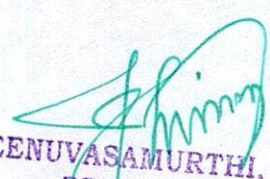

Name of the Program : Career development through Digital Marketing
Name of the Resource Person : Mr.Venkatesh, Digital marketing coordinator, pondy world, Puducherry
Date : 03.11.2022
Time : 10.00 AM to 04.00 PM
No of Beneficiary : 92

The session is Career development through Digital Marketing held on 03.11.2022

In our college nearly 92 students have participated in this program, we are excited to introduce a pioneering program focused on career development through digital marketing, aiming to equip students with the tools and knowledge necessary to thrive in the rapidly evolving digital landscape. This program serves as a gateway to unlocking diverse career opportunities in the realm of marketing, leveraging the power of digital channels to drive business success. Moreover, our program emphasizes the development of critical thinking, problem-solving, and communication skills, empowering students to navigate the complexities of the digital marketing field with confidence and creativity. By the end of the program, participants will emerge as adept digital marketers ready to embark on fulfilling careers in this dynamic and ever-expanding industry.

OPPORTUNITIES IN CLOUD

Name of the Program : Opportunities in Cloud
Name of the Resource Person : Mr. KiazHanifa, Chief Technology Officer, Fonicom
Date : 01.04.2023
Time : 10.00 AM to 04.00 PM
No of Beneficiary : 198

The event is regarding Opportunities in Cloud held on 01.04.2023

This program aims to provide students with a comprehensive understanding of cloud computing technologies, platforms, and services, as well as the skills needed to leverage them effectively in various professional domains. The program will explore the latest trends and advancements in cloud computing, such as hybrid cloud solutions, server less computing, containerization, and artificial intelligence/machine learning integration. Students will have the opportunity to work with leading cloud platforms like Amazon Web Services (AWS), Microsoft Azure, Google Cloud Platform (GCP), and IBM Cloud, gaining practical experience in deploying, managing, and optimizing cloud-based solutions.

By the end of the program, participants will be equipped with the knowledge, skills, and certifications necessary to pursue exciting careers in cloud computing and capitalize on the abundant opportunities available in this dynamic and rapidly evolving field.

Career Opportunities in Web Development Programming

Name of the Program : Career Opportunities in Web Development Programming

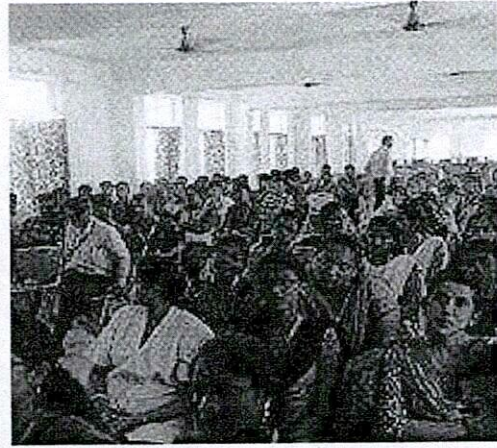

Name of the Resource Person : Mrs. A. Sarkunavathi, Area Adjunct Faculty and Quality Coordinator, Edureka Learning Center, Tamilnadu

Date : 17.03.2023

Time : 10.00 AM to 04.00 PM

No of Beneficiary : 196

This program is designed to equip students with the essential skills and knowledge needed to thrive in the dynamic world of web development, where innovation, creativity, and technological prowess intersect.

Career Opportunities in Web Development Programming held on 17.03.2023

They will have the skills, confidence, and portfolio to showcase their talents and make meaningful contributions to the ever-evolving landscape of the web. With a solid foundation in web development programming, students will be poised to embark on a journey of lifelong learning and professional growth in this exciting and in-demand field.

Roadmap to Entrepreneurships

Name of the Program : Roadmap to Entrepreneurship
Name of the Resource Person : Mrs.S.Gayathry, HR Professional, Life transformation coach
Date :18.11.2022
Time :10.00 AM to 04.00 PM
No of Beneficiary : 83

Introducing a Roadmap to Entrepreneurship program in college is an exciting initiative aimed at empowering students to turn their innovative ideas into successful ventures.

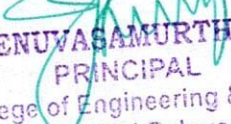

- Overview of entrepreneurship and its importance in driving innovation and economic growth.
- Introduction to the program objectives and outcomes.
- Techniques for generating innovative business ideas.
- Brainstorming sessions and idea validation exercises.
- Understanding target markets, customer needs, and industry trends. Conducting market surveys, competitor analysis, and feasibility studies.

Provide students with recommended books, online courses, and entrepreneurial communities for continued learning and support. The students will be empowered to embark on their entrepreneurial journey with confidence, equipped with the knowledge, skills, and network needed to turn their innovative ideas into successful ventures that make a positive impact on society.

The Event Roadmap to Entrepreneurship held on 18.11.2022
