"WOMEN'S HEALTH AND EMPOWERMENT: A JOURNEY TO WELLNESS AND EQUALITY"

Name of the program: A Journey to Wellness and Equality

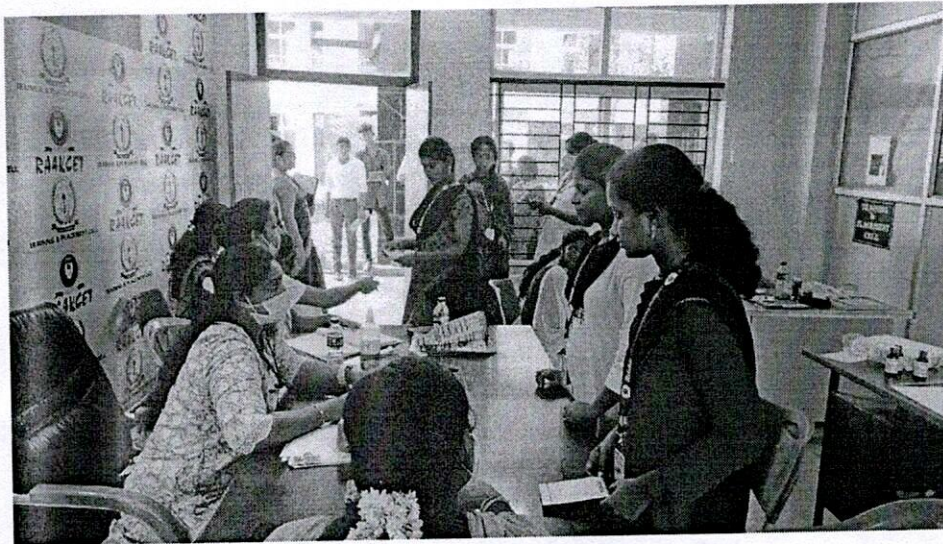

Date: 09.05.2023

Venue: Training and Placement Room

Beneficiaries: Girls students and female faculty members

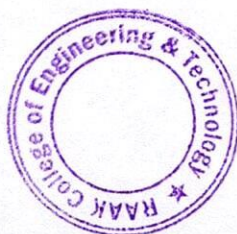

Participants: B.TECH (CSE, IT, EEE & ECE)

A Journey to Wellness and Equality" program offers numerous benefits to female students. It provides essential knowledge about reproductive health, mental well-being, and preventive healthcare measures, empowering them to make informed decisions about their bodies and health. By addressing common health issues and offering practical advice, the program equips students with the tools to maintain a healthy lifestyle and advocate for their health needs. Interactive sessions and discussions create a supportive environment where students can ask questions, share experiences, and learn from healthcare professionals. Beyond health education, the program fosters a sense of empowerment by emphasizing the importance of self-care, self-advocacy, and community support. Ultimately, it aims to inspire female students to prioritize their well-being and take proactive steps towards achieving wellness and equality in their lives.

Implementing programs focused on global women's movements in colleges involves a multifaceted approach that integrates academic, extracurricular, and community engagement components. These programs typically begin with the establishment of Women's Studies and Gender Studies departments, offering courses on topics such as feminist theories, the history of women's movements, and intersectionality.

Finally, rigorous evaluation and impact assessment mechanisms ensure that the programs continuously evolve and improve, maximizing their effectiveness and reach. These comprehensive programs aim to educate, inspire, and equip students with the knowledge and skills necessary to advance gender equality and women's rights globally.

WOMEN'S EMPOWERMENT AND GENDER EQUALITY

Name of the program: Women's Empowerment and Gender Equality

Date: 14.02.2022

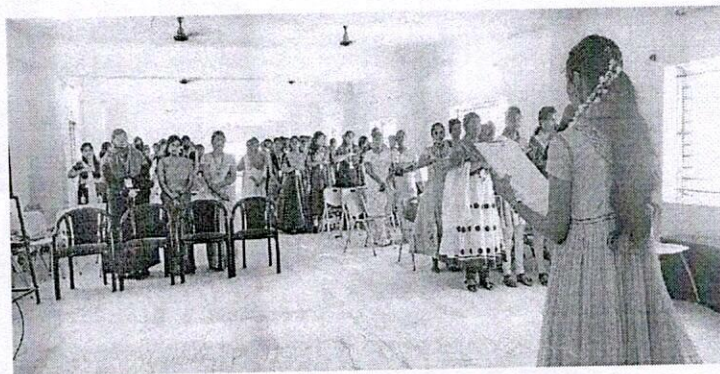

Venue : Seminar hall

Beneficiaries: Girls students and female faculty members

Participants: B.TECH (CSE, IT, EEE & ECE)

Our college recently hosted a comprehensive program dedicated to promoting women's safety and empowerment, culminating in a collective pledge taken by female students. The event began with an opening address that highlighted the importance of creating a safe and supportive environment for all women on campus. Expert speakers, including representatives from local women's organizations and campus safety officials, provided insightful talks on issues such as consent, self-defense, and resources available for victims of harassment or violence.

Interactive workshops were conducted to equip students with practical skills for personal safety and bystander intervention. The highlight of the program was the pledge ceremony, where female students stood together and recited a powerful pledge to prioritize safety, support their peers, and actively combat any form of harassment or discrimination. This unified commitment was a significant step towards fostering a culture of respect and security within the college community. The event concluded with a networking session, allowing students to connect with support services and learn more about ongoing initiatives for women's safety on campus.

WOMEN'S AWARENESS AND EMPOWERMENT

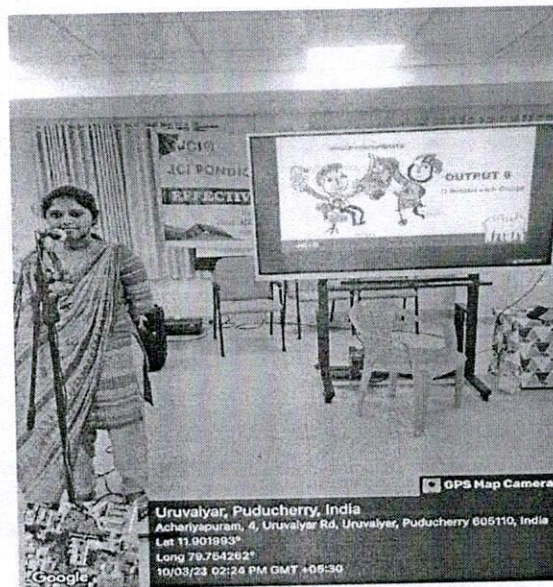

Name of the program : Womens Awarenesss and Empowerment

Date: 22.12.2021

Beneficiaries: Girls students (4) and female faculty members (2)

Participants: School Students

Our college students recently visited a local school to deliver an engaging and informative awareness program on women's empowerment. The presentation, titled "EmpowerHER: Raising Voices, Changing Lives," aimed to educate young students on the significance of gender equality and the history of women's rights movements worldwide. Through compelling stories of historical and contemporary women leaders, the program highlighted the achievements and contributions of women in various fields. It addressed critical issues such as economic inequality, gender-based violence, and reproductive rights, while offering practical steps for promoting gender equality within their own communities. Interactive sessions, including group discussions and role-playing activities, allowed the school students to actively engage and practice advocacy skills. The program concluded with a strong call to action, encouraging students to stay informed, speak up against injustices, and support each other in fostering a supportive and equitable environment.

WORLD HEART DAY

Name of the program: Awareness program for women safety

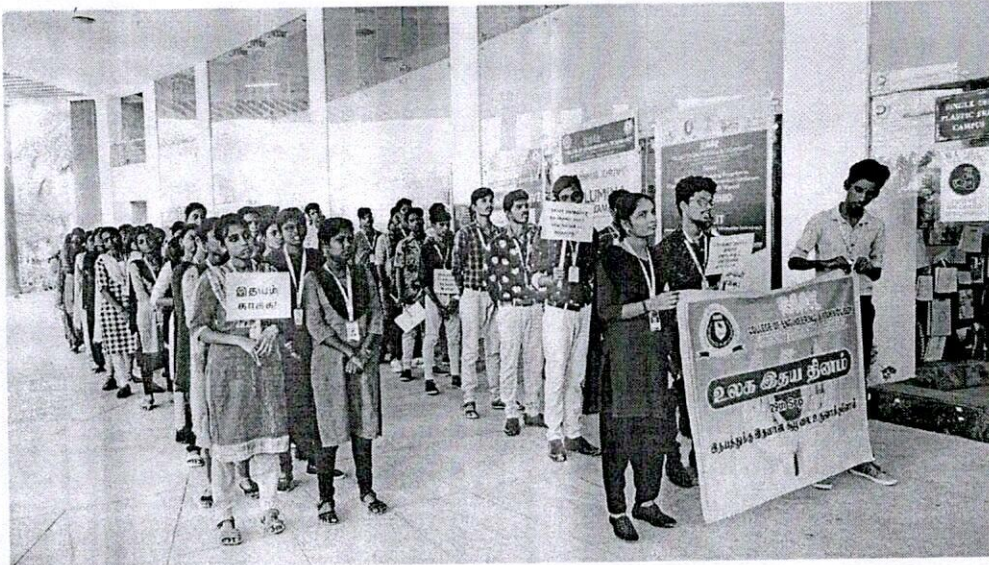

Date: 29th September 2022

Venue: Around College Campus

Beneficiaries: All students

Participants: B.TECH (CSE, IT, EEE & ECE)

The event should aim to raise awareness about heart health, focusing specifically on women, while also celebrating their achievements and promoting overall well-being. To start, obtain necessary permissions from college authorities and involve women's groups, health departments, and student organizations for broader support. Activities could include a walk or run around the campus to highlight the importance of physical activity, informational booths focusing on women's heart health, nutrition, exercise, and mental well-being, and free health screenings like blood pressure checks, cholesterol tests, and BMI measurements.
